Use of digital images - photography and video

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make recordings of your daughter / son. Please contact the school office if you **DO NOT AGREE** to give us permission to use your child's photos on the schools website and social media sites.

We follow the following rules for any external use of digital images:

If the pupil is named, we avoid using their photograph.

If their photograph is used, we avoid naming the pupil.

Where showcasing examples of pupils work we only use their first names, rather than their full names.

If showcasing digital video work to an external audience, we take care to ensure that pupils aren't referred to by name on the video, and that pupils' full names aren't given in credits at the end of the film.

Only images of pupils in suitable dress are used.

Staffs are not allowed to take photographs or videos on their personal equipment.
