

Think then Click

Key Stage 1 Online Safety Rules

These rules will keep me safe and help me to be fair to others.

- I will ask a teacher or suitable adult if I want to use the computers / tablets
- I will only use the school's computers and iPads for schoolwork and homework
- I will take care of the computers and other equipment
- I will only edit or delete my own files and not look at, or change, other people's files without their permission.
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong
- The messages I send both in and out of school will always be polite, sensible and kind.
- I will tell a teacher or suitable adult if I see something that upsets me on the screen
- I will always keep my logins passwords and personal information private when using a computer, tablet or phone both in and out of school.
- I will never arrange to meet someone I have only ever previously met on the Internet
- I will not open an attachment, or download a file, unless I know and trust the person who has sent it.
- I know that if I break the rules I might not be allowed to use a computer / tablet

I have discussed and agreed this with my child:
