### **Introduction**

At Queensbridge Primary School, we are aware that pupils may be bullied in any school or setting, and recognise that preventing, raising awareness and consistently responding to any cases of bullying should be a priority to ensure the safety and well-being of our pupils. In line with the Equality Act 2010, it is essential that our school:

- Eliminates unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic and people who do not share it.

At Queensbridge Primary School, we are committed to safeguarding and promoting the welfare of pupils and young people and expect all staff and volunteers to share this commitment. Under the Children Act 1989, a bullying incident should be addressed as a child protection concern when there is 'reasonable cause to suspect that a pupil is suffering, or is likely to suffer, significant harm'. Where this is the case, the school staff should report their concerns to their Local Authority's safeguarding team.

This policy is closely linked with our Behaviour Policy, our Safeguarding and Child Protection Policy, our School Code of Conduct and the School's Vision, Aims and Values.

### **Principles**

## **Anti-Bullying Policy**

It is the responsibility of the governing body and the Head teacher to ensure that all members of the school community work within a safe and enabling environment. We value pupils developing respect (Vision, Aims and Values).

The guiding rules of our behaviour policy ensure that while at school all children are ready, respectful and safe. That message is shared as soon as they enter EYFS and up until they leave at the end of Year 6.

### **Aims**

We are determined to promote and develop a school ethos where bullying behaviour is regarded as unacceptable, to ensure a safe and secure environment is sustained for all pupils. We aim for all pupils to reach their potential academically, socially and personally through learning and playing in a safe and secure environment.

### **Bullying Definition**

At Queensbridge Primary School, we discuss what bullying is, as well as incidents we would not describe as bullying, with all pupils through assemblies and PSHE lessons.

We agree that:

- Bullying is usually physical hurting, name calling, giving unkind looks or leaving people out of activities/games.
- Bullying usually happens when the relationship is imbalanced.
- Bullying is usually on-going.

### **Types of Bullying**

#### **Cyber-Bullying**

The rapid development of, and widespread access to, technology has provided a new medium for 'virtual bullying', which can occur in and outside school. Cyber-bullying is a different form of bullying which can happen beyond the school day into home and private space, with a potentially bigger audience, and more accessories as people forward on content.

#### **Racist Bullying**

This refers to a range of hurtful behaviour, both physical and psychological, that make the person feel unwelcome marginalised and excluded, powerless or worthless because of their colour, ethnicity culture, faith community, national origin or national status.

#### **Homophobic Bullying**

This occurs when bullying is motivated by a prejudice against lesbian, gay or bisexual people.

### **Vulnerable Groups**

We recognise that some groups of pupils may be more vulnerable to bullying, including:

- Looked After Children

## Anti-Bullying Policy

- Gypsy, Roma and Traveller children
- Children with Special Educational Needs or Disabilities (SEND)
- Children from ethnic minorities
- Children entitled to Free School Meals
- Children for whom English is an Additional Language
- Children who are perceived to be gay, lesbian or bisexual

### **Bullying Prevention**

Preventing and raising awareness of bullying is essential in keeping incidents in our school to a minimum. Through assemblies, as well as PSHE lessons, pupils are given regular opportunities to discuss what bullying is, as well as incidents we would not describe as bullying, such as two friends falling out, or a one-off argument. An annual 'Anti-bullying Week' is held to further raise awareness. E-safety is an important part of the Curriculum. Pupils are taught to tell an adult in school if they are concerned that someone is being bullied.

### **Behaviour Policy**

Our Behaviour Policy includes rewards and sanctions which are used consistently, alongside positive relationships, to prevent inappropriate behaviour, and promote positive behaviour.

### **Responding to Bullying**

All cases of alleged bullying should be reported to the Headteacher/Deputy Headteacher or senior member of staff. In any case of alleged bullying, either the Classteacher, the Headteacher, or a senior member of staff should first establish the facts, and build an accurate picture of events over time, through speaking to the alleged perpetrator(s), victim(s) and adult witnesses, as well as parents and pupil witnesses if necessary and appropriate. If the allegation of bullying is upheld, the Headteacher (or senior leader) should seek to use a restorative approach with the perpetrator(s) and victim(s) together. The perpetrator(s) should fully understand the consequences of their actions on the victim(s), and apologise without reservation. Both parties should be clear that a repeat of these behaviours will not be acceptable. All bullying incidents must be recorded. Parents of both parties should be informed. If the situation does not improve, the Headteacher (or senior leader) should meet with the parent(s) of the bullying child(ren) and agree clear expectations and boundaries which would be shared with the pupils involved. Any further incidents should lead to intervention (e.g. through outside agencies), further monitoring, support and punitive sanctions as deemed necessary. Any necessary action should be taken until the bullying has stopped. Signs of Bullying Staff should be vigilant in looking out for signs of bullying or other child protection issues including:

Physical: unexplained bruises, scratches, cuts, missing belongings, damaged clothes, or schoolwork, loss of appetite, stomach aches, headaches, bedwetting.

Emotional: losing interest in school, being withdrawn or secretive, unusual shows of temper, refusal to say why unhappy, high level of anxiety, mood swings, tearfulness for no reason, lack of confidence, headaches and stomach aches, signs of depression.

## **Anti-Bullying Policy**

Behavioural: asking to be taken to school, coming home for lunch, taking longer to get home, asking for more money, using different routes to school, 'losing' more items than usual, sudden changes in behaviour and mood, concentration difficulties, truancy.
